LIGHT EMITTING DEVICE	)

**RESPONSE**

Honorable Commissioner of Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Official Action mailed February 18, 2010, has been received and its contents carefully noted. Filed concurrently herewith is a *Request for Two Month Extension of Time*, which extends the shortened statutory period for response to July 19, 2010. Accordingly, the Applicant respectfully submits that this response is being timely filed.

The Applicant notes with appreciation the consideration of the Information Disclosure Statements filed on June 23, 2006, and January 23, 2008.

Claims 1-27 are pending in the present application, of which claims 1-3, 7-9, 13-15 and 19-21 are independent. For the reasons set forth in detail below, all claims are believed to be in condition for allowance. Favorable reconsideration is requested.

Paragraph 3 of the Official Action rejects claims 1-5, 7-11, 13-17 and 25-27 as obvious based on the combination of JP 10-310574 to Kitahora, U.S. Publication No. 2001/0022497 to Aoki and U.S. Publication No. 2005/0098207 to Matsumoto. Paragraph 4 of the Official Action rejects claims 1-4, 6-10, 12-16, 18-22 and 24-27 as obvious based on the combination of Kitahora, Aoki, Matsumoto and U.S. Patent No. 6,541,129 to Kawamura. The Applicant respectfully traverses the rejection because the Official Action has not made a *prima facie* case of obviousness.
